

Special offer - SB121

SteriBlue BlueRoll cotton wool rolls are manufactured from 100% cotton for maximum absorption and a minimum number of changes during procedures. The rolls offer excellent comfort for the patient and are supplied in practical 300g bags. Each pack costs £3.95.

DisRoll Prestige is the latest cotton roll dispenser from SteriBlue and is the perfect way to dispense cotton rolls. A single press of the lid dispenses one roll at a time, ensuring that the rest of the rolls remain uncontaminated.

Special offer - purchase 10 packs of BlueRoll and receive a DisRoll Prestige free of charge (worth £12.75). Simply call or email your order and quote SB121.
